**Meeting of
OSA/SPIE/IEEE
student chapters**

On the occasion of **the International Day of Photonics**, we are pleased to invite representatives of **SPIE/OSA/IEEE student chapters to a Discussion and Integration Meeting at the International Centre for Translational Eye Research (ICTER) in Wola, Warsaw.**

The Meeting is organized by the OSA chapter from the [Institute of Physical Chemistry](#) of the Polish Academy of Sciences and [ICTER](#), under the umbrella of the [Photonics Society of Poland](#) and [Polish Technological Platform on Photonics](#).

The aim of this Meeting is to identify the needs of Photonics and Optics Scientific Circles, to create the possibility of coordinated actions at the national and European levels, aimed at obtaining additional funding for the activities of OSA/SPIE and IEEE Circles.

SPIE/OSA/IEEE Presidents are strongly encouraged to nominate one or two representatives from each chapter and confirm their attendance by e-mail (mwojtkowski@ichf.edu.pl) by Thursday, October 14, 2021.

The Meeting will take place on Thursday, October 21st from 11:15 until 16:00 hs in the ICTER seminar room at 10A Skierniewicka Street, ground floor. Travel expenses will be reimbursed, the catering is included.

The International Centre for Translational Eye Research (MAB/2019/12) project is carried out within the International Research Agendas programme of the Foundation for Polish Science co-financed by the European Union under the European Regional Development Fund.
